

Prestwick St Nicholas Golf Club

Use of Practice Area

All users require to adhere to the policy and procedures outlined below when using this area for their own safety and the safety of other players and members of the public.

- a) Please ensure that the roller doors are fully open prior to any practice/use.
- b) All play must take place from and on the playing mats.
- c) Play from within the practice bays shall be to the practice green and fairway only.
- d) No play is allowed inside the bays when the doors are closed unless under the supervision of the Club professional.
- e) Play to the 7th fairway is not allowed.
- f) Please be aware of others using the practice area and those playing on the course.
- g) It is your responsibility to secure the practice bay ensuring the roller shutter doors and access doors are fully closed and locked on departure.
- h) Personal belongings must not be left in the practice bay.
- i) Juniors may only use the practice bays under the supervision of the professional, a member or a parent or by prior approval of the Club professional.
